

Adopted 12/27/2017

Westmoreland Conservancy properties are open to the public for walking, hiking, photography and assorted **passive** recreation. While we are happy to invite everyone to enjoy these lands, we must ask that the following be observed:

Dogs must be restrained on a lead of NO MORE THAN 8'

Evidence of current vaccination & license must be displayed.

If your dog is aggressive with people or other pets, a muzzle should be on hand.

Please, pick up after your dog.
